Report of Elders who died in the year 20

Annually, in the context of worship at the Fall Stated Meeting of Presbytery, the Presbytery of Long Island remembers those elders from the churches who died during the past year.

Please help us remember those good and faithful servants of Jesus Christ in your congregations who died during the previous year by completing the form below. The elders' names will be read at the Presbytery meeting in September; we will give thanks to God for their lives and service in the church.

Please return the completed form to the Presbytery Office 42 Hauppauge Rd. Commack NY 11725 or email form or information to laurie@presbyteryofli.org
