Any special needs that leadership should be aware of?

Did you attend the Presbyterian Youth Triennium in 2019? If so, in what capacity?

If you attended the 2019 event, what was your favorite/most meaningful part about this event?

If you have never attended this event, why do you want to go?

The theme for the 2022 Triennium “When Did We See You?” Taken from Jesus’ Judgment of the Nations as depicted in [Matthew 25:31-46](#), the theme is designed to engage young people with seeing, acting, awareness and a number of justice qualities, including just living and being just.”When you hear this theme, see the artwork, and think about the Triennium, what do you expect, anticipate or feel curious about?

Traveling to and from the Triennium, participating in the event, you will be a part of several new communities (your delegation, your small group, your residence hall, the whole PYT community). What does it mean to you to be in a community? What will you bring to the community

What kind of an impact can come from an event like the Triennium? On you? On your church? On the larger church?

Is there anything else you'd like to tell the leaders of your delegation?
