To be completed by ALL pastors renewing a Call

Part of your compensation package is your continuing education time and money. How did you use them in the previous year?

Are you carrying over continuing education days from a prior year(s)? If so, how many? How are you planning on using these days? Has the session approved the carryover?

"The Presbytery encourages that up to but no more than ten days of vacation time be rolled from one year into the next calendar year. The annual refreshment from vacation comes only if the Pastor takes the vacation regularly. Excessive accumulation of vacation time does not provide for that regular refreshment. Unused vacation benefits are payable in full to the date of the dissolution of the call."

Have you had the opportunity to take your entire vacation in the previous year? If not, please explain what would allow you to find more time for vacation and refreshments.

Is the Church behind in payment of your compensation or benefits (salary, pension, 403b contributions, etc)
